Notes to Financial Statements

Note 1-Summary of Significant Accounting Policies

A. Nature of Operations

The Association is a nonprofit organization that provides educational support to its membership of museums located in the State of Louisiana. Its primary sources of revenues are membership dues, annual meeting registration fees, grants and donations.

B. Basis of Accounting

The Association maintains its records using the modified cash method of accounting whereby certain revenue and the related assets are recorded when received rather than when earned, and certain expenses are recognized when paid rather than when the obligation is incurred.

C. Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

D. Property, Plant and Equipment

Property, plant and equipment are stated at cost. Depreciation is computed using the straight-line method over the estimated useful lives of the assets. Expenditures for maintenance, repairs and minor renewals are expensed as incurred.

E. Income Taxes

The Association is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and classified as a public charity.

Note 2-Nonmonetary Transactions

A number of unpaid volunteers have made significant contributions of their time to develop the Association's programs. The value of these items is not reflected on the accompanying financial statements.

Note 3-Property, Plant and Equipment

The following is a summary of property, plant and equipment - at cost, less accumulated depreciation:

Machinery and equipment	\$24,246
Less: accumulated depreciation	<u>(7,509)</u>
<u>Total</u>	<u>16,737</u>

Note 4-Temporarily and Permanently Restricted Net Assets

Temporarily restricted net assets are those whose use has been limited by donors to a specified time period or purpose. Permanently restricted net assets have been restricted by donors to be maintained in perpetuity. The Louisiana Association of Museums does not have any temporarily or permanently restricted net assets.

Note 5-Rent Expense

The Association paid \$4,054 in rental expense for the year ended June 30, 2001. The Association has a lease agreement ending December 31, 2001 for office space at \$175 monthly. The Association has an option to renew the lease for one year at a rate not to exceed 110% of its current rent.

Independent Accountant's Report on Applying Agreed-Upon Procedures

Board of Directors
Louisiana Association of Museums
Post Office Box 4434
Baton Rouge, Louisiana 70821-4434

We have performed the procedures included in the Louisiana Governmental Audit Guide and enumerated below, which were agreed to by the management of Louisiana Association of Museums, the Legislative Auditor, State of Louisiana and applicable state grantor agency/agencies solely to assist the users in evaluating management's assertions about Louisiana Association of Museums' compliance with certain laws and regulations during the year ended June 30, 2001, included in the accompanying Louisiana Attestation Questionnaire. This agreed-upon procedures engagement was performed in accordance with standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of the specified users of the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

Federal, State and Local Awards

Determine the amount of federal, state and local award expenditures for the fiscal year, by grant and grant year. Award expenditures for the Association's only program for the fiscal year are as follows:

<u>Federal Grant Name</u>	<u>Grant Year</u>	<u>CFDA #</u>	<u>Amount</u>
Louisiana Endowment for the Humanities:			
Treasure Houses	2000	99-604-103	<u>\$25,270</u>
Total expenditures			<u>25,270</u>

We randomly selected six (6) disbursements from the only award administered during the period under examination.

We traced the six (6) disbursements to supporting documentation as to proper amount and payee.

We examined supporting documentation for each of the six (6) selected disbursements and found that payment was for the proper amount and made to the correct payee.

We determined if the six (6) disbursements were properly coded to the correct fund and general ledger account.

All of the payments were properly coded to the correct fund and general ledger account.

We determined whether the six (6) disbursements received approval from proper authorities.

Inspection of documentation supporting each of the six (6) selected disbursements indicated the appropriate approvals.

For the federal award, we determined whether the disbursements complied with the applicable specific program compliance requirements summarized in the Compliance Supplement (or contained in the grant agreement, if the program is not included in the Compliance Supplement) for state and local awards, we determined whether the disbursements complied with the grant agreement, relating to:

Activities allowed or unallowed:

We reviewed the previously listed disbursements for types of services allowed or not allowed.

Eligibility:

We reviewed the previously listed disbursements for eligibility requirements.

Reporting:

We reviewed the previously listed disbursements for reporting requirements.

We examined evidence indicating that agendas for meetings recorded in the minute book were posted as an open meeting as required by LSA-RS 42:1 through 42:12 (the open meetings law).

Louisiana Association of Museums is only required to post a notice of each meeting and the accompanying agenda on the door of the Louisiana Association of Museums' office building. Although management has asserted that such documents were properly posted, we could find no evidence supporting such assertion other than an unmarked copy of the notices and agendas.

For all grants exceeding \$5,000, we determined that each applicable federal, state or local grantor agency was provided with a comprehensive budget of those grants that included the purpose and duration, and for state grants included specific goals and objectives and measures of performance.

Louisiana Association of Museums provided comprehensive budgets to the applicable state grantor agencies for the programs mentioned previously. These budgets specified the anticipated uses of the funds, estimates of the duration of the projects and plans showing specific goals and objectives that included measures of performance.

We were not engaged to, and did not, perform an examination, the objective of which would be the expression of an opinion on management's assertions. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the use of management of Louisiana Association of Museums, the Louisiana Legislative Auditor and the applicable state grantor agency/agencies and should not be used by those who have not agreed to the procedures and taken responsibility for the sufficiency of the procedures for their purposes. Under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.

Yours truly,

Hawthorn, Weymouth & Carroll, L.L.P.
